Photo Booth

Step into the light... if you dare

Tap to start

1 Tap the moon

The glowing moon on the screen is the Start button.

2 Find your spot

Stand on the Stand here sticker. Bring friends! Keep your group between the Squeeze in! stickers.

3 Smile for 3 · 2 · 1

The light comes on for the countdown. Hold still until it clicks off.

4 Love it or redo it

Check your photo, then pick Retake, Email, QR code or Done.

5 Take it home

Scan the QR code to save it on your phone, or type your email and we'll send it.

6 Missed it?

Tonight's photos loop on the little gallery screen. Tap it when yours comes around for its QR code.

Look closely: our second camera adds a surprise to every photo. Who else was here?

- Photos are saved. A second camera also photographs the booth area.
- If you enter an email address, it is used only to send you your photo.
