● contains. The first nine columns are the major food allergens; gluten, corn, pork and beef are listed for guests who avoid them. Diced onion and the hot sauces contain none of these. Chili mac (wheat pasta) and the veggie chili (malted barley in the vegetable base) contain gluten. The smoky chili, chips and toppings are made without gluten ingredients but are not certified gluten-free. Our kitchen is a home kitchen and is not allergen-free, so cross-contact is possible. If you have a food allergy, please ask us, and we'll show you the product labels.
